DEAR FRIENDS AND COLLEAGUES

CONGRESS PRESIDENT, DR PATRICK FRECHET

Dear Friends and Colleagues,

This year the ESHRS Live Surgery Workshop and Congress will take place in Vienna, from 27th to 29th of May, in the heart of Europe.

Our venue will be held in the most prestigious hotel of the city: The Imperial Palace. As every year the scientific program will cover the latest as well as the most important topics in hair restoration surgery. The live surgery workshop, held in one of the most famous clinics of Vienna, will offer the possibility for beginners as well as for experienced hair restoration surgeons to watch the major hair restoration procedures

performed by some of the world leaders in the field, directly in the operating rooms and in the auditorium with live video transmission interacting with the surgeons. As always great care is taken for a wonderful social program including the visit of some of the wonders of Vienna, such as Habsburg Dynasty's Schönbrunn Palace or The Belvedere.

I am confident that you will enjoy your stay.

With my warmest regards.

DEAR COLLEAGUES

ESHRS PRESIDENT, DR MICHAEL MAY

Dear Colleagues,

I am looking out of my window at the falling rain, it's a wet snow. It has rained as I remember since November with a two week break in January for snow. An article in the Times today says that forecasters will know in a few days whether it has been the coldest winter since 1978 - 79. It is difficult at the moment to imagine Vienna in late May but it will be warm and beautiful and I am looking forward to it.

There is an increase in the number of hair transplants being carried out in the UK. There

are more clinics and the public awareness of the improvements in techniques and results is at last increasing. I am sure it is important for all of us in the field to meet both professionally and socially. Improving our own relationships and skills will help to rule out negative comments on colleagues which are very detrimental to the public's perception of hair transplanting. I look forward to meeting you all in Vienna in the early summer.

Best regards.

LIVE SURGERY WORKSHOP

Hotel Imperial ^{***** LUXE} Vienna

Originally created as the palace of a prince in 1863, Hotel Imperial was inaugurated by the Emperor Frantz-Joseph and Sissi the Empress. With its Neo-Renaissance façade, its Royal Staircase, hand carved statues, high stucco ceilings and impressive chandeliers radiating aristocratic flair and **the charm of the Viennese Romance**, it still accommodates amongst other celebrities many famous authors and composers.

Very interesting discounted rates have been obtained for Congress Participants. We have also negotiated reduced rates for 3 days before and 3 days after the Congress. Please make your reservation early, Vienna being extremely busy due to many events at this period.

HOTEL BOOKING WILL BE CONFIRMED
ONCE THE REGISTRATION TO THE
CONGRESS HAS BEEN COMPLETED.

Hotel reservation
should be made directly
The number of negotiated rooms
being limited, please make your
reservation as soon as possible

Schönbrunn Palace

Schönbrunn Palace, a baroque work of art with its extensive park and zoo, its numerous fountains and statues, with its long and colourful history of the Habsburg dynasty is listed on the **Unesco's World Cultural Heritage** sites. The impressive palace complex attracts 8 million visitors each year.

The Belvedere

The Belvedere, a **baroque palace** with two main buildings linked by beautiful gardens and a great water basin with cascades, nymphs and goddesses has housed **the imperial picture gallery** since 1775. Amongst many masterpieces, today it displays the largest collection in the world of **Gustave Klimt's** paintings.
