FUE EUROPE Meeting in Brussels June2nd-5th, 2016

We are progressing the next meeting and I'm happy that we have now a first draft of the programme available.

This meeting will become a large event with many well known speakers from all around the world.

The programme is not final - as usual everyone is kindly invited to share ideas, experiences and know how

To join and participate visit the event site <http://www.hairplanting.com>

(Teilnehmerkreis: Sorry, nur für Professionals !)
