Hi Mary,

impressive result - especially the hairline.

The patient is very young and spent 3800 grafts to restore the Front / Mid:

Does his laxity allow a second / third Strip-procedure ?

If yes, how many grafts are left for possible follow-up procedure(s) ?

Hi Mary,

the posted photos have an photobucket-adress. Could you please give us the adress for Dr. Rahal's block!?!

Thank you...
