Beginnen nun mit den ersten versuchen. Noch nicht bezüglich der ha-behandlung selbst, scheint eher ein sicherheitstest zu sein.

Einem hairsite-user wurden am Telefon folgende details genannt:

Zitat:

- 1) It IS being done by Follicla.
- 2) Duration is 60 days.
- 3) They will only dermabrade small area on your scalp, They Won't adminster any compounds on your scalp.
- 4) They will take two really small (4mm) biopsies to observe new regrowth. She specially noted that the new growth will not necessarily be visible to human eye.
- 5) She also mentioned some procedure that will look into your scalp for possible scarring and stuff.
- 6) They won't pay travel expenses, so people in boston area are better suited for this.
- 7) And obviously, you can't be on propecia, rogaine etc etc.
