Also kurz Erklärung zu meiner Euphorie:

Es ist die erste Firma die sagt: "Ihr kriegt Haare soviel und wohin ihr wollt."

So muss es sein.

Jedoch wirkt das ein wenig unseriös.

Aber vielleicht wird der Traum wahr!

Alle bitte den Newsletter bestellen.

Hab die auch ma angeschrieben:

"Why should i believe that trichoscience is better than intercytex or aderans ?

Or earlier with the Therapy?

How long must i wait for a therapy?

Years? Decades?

Thank you from Germany

Heartly Greetings"

Antwort von denen:

"Hi there,

Thanks for your inquiry. Until we're much further along in our human trials, we can't say more than we're currently reporting on our website and in the attached fact sheet. If you haven't done so, you might want to sign up on our website to receive news as it is released.

Regards,

TrichoScience Innovations"

fact sheet = Fakten-Sch..sse ?

Naja das meiste versteh ich.

Hört sich gut an.
