<https://www.omicsonline.org/open-access/a-comparative-study-between-topical-5-minoxidil-and-topical-redensyl-capixyl-and-procapil-combination-in-men-with-androgenetic-alo-2471-9323-1000140-108138.html>

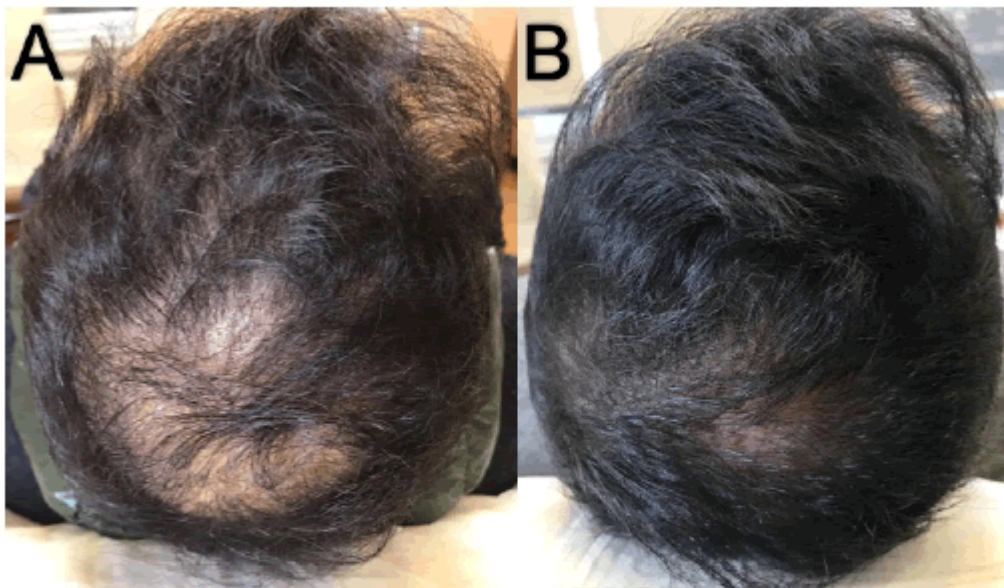

Versuch mit 120 Leuten, Das RCP-Gemisch hat dabei deutlich besser performt als Minoxidil und blieb dabei ohne Nebenwirkungen. Die Bilder sehen echt solide aus (siehe Anhang).

Ich kann leider kein fertiges Produkt finden, aber wenn wir das gemischt bekommen, haben wir möglicherweise ein richtig potentes revolutionäres Mittel.
