hello guys, i am a norwegian guy that has been following this cetirizine forum for quite some time. And i just wanna thank you all so much , you guys have been a great help its been a little over two weeks and i have much less shedding and much more small hairs growing near my temples. I just wanna ask this my hairline is still kinda receding does it take more time before it helps on hairline or is it for regrowing only! thnx for everything you guys are great. Keep up the great work specially you minox86! danke so much!!!.
