Hallo,  
ich habe am 26.04.07 bei ukonlinepharmacy bestellt.  
Da ich auch nach 4 Wochen noch keine Bestätigung erhalten habe, das die Ware abgeschickt wurde, habe ich mein Geld zurückbuchen lassen.

Bestätigungs -Mail der Fa. am 01.04.07

Dear (Mein Name),

Just to confirm that your Credit Card has now been successfully charged for your recent purchase with us.

It will appear on your Credit Card Statement as:-

Web shop 1-888-820-9537 (USD)

Please make a note of this for your Credit Card Statements as you may query what it relates to later.

I am pleased to tell you that your order has been approved and is to be posted direct from our suppliers in India.

There is no need to wait in for delivery, as all parcels are sent discreetly and sent using normal airmail. This, we find, is the best way to get your medicines to you without them being held at Customs for a long period. The usual mailing time from India to anywhere in the world is 8 to 10 days, but at holiday and religious festival times in India, this can sometimes take longer. We kindly ask that you allow 21 days for delivery before contacting us.

We thank you for your continued patronage and are sure you will be more than happy with your purchase.

You will receive one email from the site confirming your transaction from our credit card processor, and one from the site containing details of the items you have ordered.

Kind Regards

Steve Simmons

Tja, auf die Lieferung warte ich heute immer noch.  
Aber da ich die Zahlung zurückbuchen habe lassen, wird diese wohl auch nicht mehr eintreffen.  
Mein schlechtes English wird doch nicht schuld sein??
